Express Your View on Current Planning Applications

You may comment on a current planning application which is pending a decision, or undergoing an appeal, by clicking on the appropriate reference number on the Planning page of the Little Wolford Parish Meeting's website. Comments are added using the following methods:

- Current/pending applications - via the "Comment" tab of the application's entry in Stratford District Council's e-planning system
- On an appeal - via the "Comment on this case" link in the Planning Inspectorate's Case Summary.

Alternatively, where an application is of wider interest or concern, the Chairman may invite the applicant to present the application to an Assembly of the Parish Meeting, and the view of the Parish Meeting expressed to the District Council or to the Planning Inspectorate as appropriate.

*David Farman
Past Chairman, Little Wolford Parish Meeting*
